## BAN ON USE OF PLASTICS:

Our college has banned the usage of plastic carry bags in the campus and the staff and students are encouraged to avoid the usage of disposable plastic items. We regularly conduct programmes such as “Clean and Green Campus” campaigns to promote a clean and litter free environment.

## LANDSCAPING WITH TREES AND PLANTS:

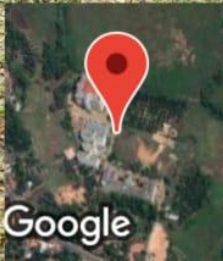

Our campus has a canopy of numerous trees and plants providing shade and a serene ambience. We encourage the planting of saplings as a part of World Environment Day celebrations. Our gardens are well maintained by our gardeners.
