6. Dr Rino Roopak
7. Ms Unnimaya A P
8. Mr Ashik Thomas

Agenda

To discuss the programmes for the year 2022-23.

Dr Aby Mathew T welcomed all to the meeting. The following programmes were put forth by the Green club;

1. Clean and green campus drive
2. Procurement of separate waste bins for the campus
3. Planting of plant saplings in the foyer

Dr Benley informed that at least 4 to 5 new closed bins are required for waste disposal in the various sites of the campus. Principal informed that it shall be procured soon. He informed that the campus is maintained well by the gardeners but students should be actively involved in periodic cleaning of the campus and regular awareness class should be conducted. Dr Annie informed that the foyer space in the college is empty and it would be better if it is filled with plants in pots. Ms Unnimaya informed that we can request students, faculty and teaching staff to contribute for this noble cause. It was decided to issue a circular.
