

7.1.2A

ANNUAL GENDER SENSITIZATION ACTION PLAN

College has initiated annual gender sensitization action plan. For this purpose a women's club has been initiated in the college. Along with the women's club , NSS and student association organize women gender sensitization programs. Programs related to Anti-ragging and Anti-harassment awareness programs are conducted on International Women's Day. The celebration is organized by the college to honor the female workforce within the college and outside, as well as to enhance the spirits of female students.

2016: The department of Public Health Dentistry organized a talk on 'sensitization of women against harassment of women at home and workplace' in association with International Women's Day celebration.

2017: The women's club organized a talk on "Pap Smear And its Importance" and on difficulties faced women in hospitals by Dr. Seema Oommen, Department of Microbiology, Pushpagiri Institute of Medical Sciences' on March 8th.

2018: The NSS has organized a talk on 'Cyber Security'.

2019: The women's club organized a talk on 'Breast Cancer and its Awareness' by Dr. Athulya G Ashokan, Department of General Medicine, PIMS, on 8th March in association with the International Women's Day.

2020: The NSS organized a talk on 'Gender Equality in Society'.
