Mentor – Mentee Meetings

Mentor: Dr. Manuja Nair

Mentees:

1. Anju Susan Itty
2. Ann Kurian
3. Anwin Koshy Thomas
4. Aparna Jess Cyriac
5. Arpith James
6. Vaishnavi R

Anju, Ann, Aparna, Arpith & Vaishnavi are II BDS Regular Batch Students. Anwin is in I BDS Supplementary Batch. All are hostelites except for Ann & Anwin. Had 3 meetings with Anju, Ann, Aparna, Arpith & Vaishnavi of which one meeting was online. First meeting was an introductory meet. In second meeting which was online they spoke about impact of covid on their lives, boosted their morale as all of them were worried how they will complete their preclinical work, practicals and all. Third meeting was when they joined back in college after lockdown. Had special chat with Vaishnavi as she was worried she did not get connector & was not allotted any Chair to work in preclinical conservative Dentistry.

So discussed the issue with their faculty in-charge, Dr. Rene and Department Head, Dr. A. Devadathan. As lots of students had same complaint, some of the parents had also called Vice principal, Dr. Biju & expressed concern regarding the same, it was decided that II BDS will be divided into two Batches, which is in accordance with university rules considering the current COVID scenario.

ANWIN
Separate meetings were held with Anwin, as he belonged to I BDS Supplementary Batch. He seemed depressed as he had failed in all three subjects. Spoke to him multiple times & boosted his morale when his results were published. Had discussions with I BDS Faculty in-Charge Dr. Sharlene, who kept me updated on his performance in theory & practicals, also his schedule for upcoming exams & classes. Initially he was hesitant to discuss & meet, inspite of multiple attempts from my side to meet him. Once he came with his parents to meet HOD, Dr A Devadathan regarding his First year reevaluation, during which sir advised him to meet me & importance of mentorship, only then was he very prompt in responding to my messages & came & met me personally thrice.

In these meetings, I gave him the feedback I got from Dr. Sharlene on his performance in all three subjects. We discussed his weaker points mainly theory paper presentation, where I gave him few pointers on how to improve his presentation.

Collected feedback forms from all mentees. Few mentioned about shortage of food quantity in hostel.
