

## **REPORT ON CHILDRENS DAY PROGRAM-2016**

The Children's day was celebrated on Monday, November 14, 2016 by the Department of Pedodontics and Preventive Dentistry, so as not to disrupt the increased patient inflow expected on Mondays.

The department was altered to cater to the needs of the occasion.

The program was attended by over 20 children and their parents.

The formal function began at 10:30am. Dr Aby Mathew T, the Principal, was the chief guest. Dr Gibi Syriac, Reader Department of Pedodontics gave the welcome speech followed by an oral health education program by the interns. Brushing technique for children was demonstrated which was appreciated and was motivating. Both children and their parents actively took part in the interactive discussion thereafter.

The children sang songs. Prizes of the coloring competition held 1 week back were distributed to the winners by the Principal Dr Aby Mathew T

Dr Sunu Alice gave the vote of thanks

The 1 hour program ended with refreshments and complimentary gifts for the participants.

## **REPORT ON CHILDRENS DAY PROGRAM-2018**

The celebrations of Children's Day 2018 began on 5<sup>th</sup> November in the Department of Pedodontics and Preventive Dentistry. Coloring competitions were conducted every day for the patients who came to the department. The children were divided into 3 groups based on their ages.

The Children's day Program was celebrated on Wednesday, November 14, 2018. This was combined with the inauguration of 'Seal It', a School Dental Health Program, which is jointly being conducted by the Department of Public Health Dentistry, the Department of Periodontics and the Department of Pedodontics and Preventive Dentistry.

The program was attended by 31 children of Grade III from AKM School, Changanassery who were accompanied by their class teachers, and 10 other children who were accompanied by their parents.

The formal function began at 10:30am. The Academic Director, Rev. Dr. Mathew Mazhuvancheril presided over the function. District Panchayat Vice President, Mr. George Mammen Kondoor, was the Chief Guest. AEO, Mrs. P.R. Praseena was the Guest of Honour. Medicity Director, Rev. Fr. Aby Vadakkumthala, Vice Principal Dr. Benley George, Dr. Thomas George and Dr. Elizabeth Joseph were the other dignitaries.

'Seal It' programme was officially inaugurated by the chief guest, Mr. George Mammen Kondoor.

## Children's Day @ YMCA VIKAS School

The department organized a “School Dental Health Programme at YMCA VIKAS School, Elavinal, Kunnamthanam, Thiruvalla” from 10 am to 2:30pm for students, parents and teachers. The program was carried out under the guidance of Dr. John Philip (Reader), Dr Sherin Sara George (Sr. Lecturer) and Dr Ambil Sara Varghese (Lecturer). PG students (1<sup>st</sup> yr) and six Part II students took active part in the program.

The program included the following

1. Dental Screening
2. Dental health education for the students
3. Dental Health education for Parents and Teachers
4. Cultural Program for the students
5. Cultural Program by the students of the school
6. Refreshments

### Dental Screening

Around 60 special children from age 6 to 40 years who were present, dental screening was done. Their treatment needs were assessed and the students who needed treatment were asked to report with their parents to the Pushpagiri College of Dental Sciences for further management.

Dr. K. GEORGE VARGHESE  
PRINCIPAL  
Pushpagiri College of Dental Sciences

## Dental health education for the students

Dental Health education to the children was given in the form of a highly interactive program which was effective in conveying the importance of brushing and how to brush etc.

## Dental Health education for Parents and Teachers

Dental Health program including talks, demonstration and interactive session on the role of school teachers and parents in the prevention, identification, immediate management and different treatment modalities available for oral and maxillofacial problems seen in special children was attended by the teachers and the parents of the children.
