Report presented to CCM on 17.03.21

- Initiation
- Objectives
- Team
- Meetings
- Programs Conducted & Attended
- Action Plan For 2021-22

The idea of a dental education unit (DEU) for the college was mooted during the formulation of the five year plan for the college and subsequently the DEU was established in December 2020.

**Goals of DEU**

- To develop into an educational resource Center that molds a teacher into a competent Dental Educator.
- To enhance the teaching, learning and assessment skills of the faculty member at various levels of educational initiatives.

The main objectives of the Dental Education Unit are to :

- Be responsible for the educational processes
- Ensure continuous quality improvement in teaching learning and assessment in professional education
- Plan, implement and evaluate curricular development and faculty development in the college
- Facilitate educational research through projects, research publication update
- Faculty updated of the current trends in medical education by conducting workshops and conferences.
- Contribute towards policy development, feedback system, assessment, communication skills and humanities
- Develop and implement instructional design for undergraduate and post graduate courses
- Emphasize educational collaboration between dentistry and allied health professions

**The Team**

- Dr Subbalekshmi – Coordinator
- Dr Anju
- Dr Manuja
- Dr Prameetha

**Programs Attended**

- Discovering the role of a Dental Educator

  
Dr. R. Anju
