

## **ANNUAL GENDER SENSITIZATION ACTION PLAN: 2021-2022**

College has initiated annual gender sensitization action plan. For this purpose, a women's club has been initiated in the college. Along with the women's club, NSS and student association organize women gender sensitization programs. Programs related to Anti-ragging and Anti-harassment awareness programs are conducted on International Women's Day. The celebration is organized by the college to honor the female workforce within the college and outside, as well as to enhance the spirits of female students.
