4. Dr Benley George
5. Dr Sunil S
6. Dr Rino Roopak Soman
7. Dr Haby Mathew Samson
8. Sr Ann
9. Mr Mathew Varghese (President)
10. Mr Koshy P Koshy (Vice President)
11. Dr Saji Cherian (Member)
12. Dr Anoop Suresh (Member)
13. Dr Praveen Ittycheria (Member)
14. Mrs Anamma Jolly (Member)
15. Mrs Jancy Augustine (Member)
16. Shiju (Supervisor)

Dr Biju addressed the meeting and welcomed everyone.

Mathew – Father of Emlyn

He requested support from parent's side. Pushpagiri is one of the most reputed dental colleges in Kerala and we have to maintain that reputation. Students should take enough steps to maintain the same. For that, there should be a good interaction between staffs and students.

Fr Aby Vadakkumthala congratulated everyone who gathered for the meeting. He suggested that in order to maintain a good atmosphere both parents and management should work together and can sort out the issues.

Dr Biju presented the agenda for the meeting. .

Agenda:

1. Discussions and decisions taken during the last PTA Meeting held on 03-05-2022.
2. Actions taken regarding the complaints of the students.
3. Any pending matter to be discussed.

Decisions taken:

1. Online food ordering including delivery of items – upto 6.30p.m. only on all days. The food delivery can be permitted upto 7.00pm with special permission from the wardens. The ordered food to be collected from security post before 7.00p.m. The food packet can be handed over to the student after checking.

2. Hostel outing permitted for hostellers on two days a week from 3.00p.m to 6.30pm after signing in the hostel register. Sunday outing is permitted from 2.00p.m to 6.30p.m with consent of the parent and with gate pass.
3. All Saturdays students can go home after regular class and after getting consent of parent with gate pass.
4. Vehicle parking – Students can park Two wheelers near the Cafeteria close to main gate. Four wheelers can be parked outside the gate of the campus. Four wheeler vehicles of PG students can be parked inside the campus. Hostellers are advised not to bring four wheelers to the campus.
5. Birthday celebrations are not permitted in the hostels after 11.00p.m.
6. Use of mobile phone in hostels for I BDS students is permitted for 1 ½ hours. There is no restriction for other students.
7. Use of mobile phone in College- Interns, BDS and DORA students-not permitted. MDS students – permitted. For BDS students- class representatives of I BDS, II BDS and III BDS students can use it for arranging classes in Medical College.
8. Dress code – to be followed by BDS students, DORA students, Interns and MDS students. Exception can be given for medical conditions on presenting relevant medical certificate.
9. A committee to be constituted to revise the hostel rules and regulations.

Mathew:

He thanked everyone for the decisions taken. He suggested giving mobile phones to students as they have to communicate with patients. He also requested to provide sufficient number of plate racks to students who are in the hostel for keeping their plates.

Dr Biju told that it is not advisable to allow mobile usage for students in college because of the chances for misuse. In case if they want to talk to their patients they can ask help from the department staffs. He also added that quotations have been taken for plate racks.

Mathew: suggested to take adequate steps for mosquito control.

Dr Biju told that we have lot of limitations regarding that due to the paddy field nearby. But pest control wing is monitoring the problem every week and doing whatever is possible.

Anoopa:

The discussions and decisions should reach the knowledge of students otherwise they might think that the management is inactive. She also mentioned about the concerns regarding the acid fly attack. She also suggested a positive leadership training programme for students prior to college elections.

Dr Biju appreciated the suggestion.

Mathew: suggested meetings between students union and PTA members. He mentioned about the aggressive attitude of the students during the last PTA General Body meeting. He also suggested for the presence of some teaching staffs also in the meetings.

Dr Biju appreciated the suggestion.

Dr Saji told that there were no actions taken by the grievance cell. Also some kind of counselling should be provided for the students.

Dr Biju told that students had approached the grievance cell mainly for two matters. ie, regarding food ordering and outing related and we have already considered their

demands. They don't have any issues regarding the academics. He also added that we have already taken necessary steps regarding the counselling. For second years we had done one wellness session by Dr Roy, Professor & HOD of Psychiatry department. We have scheduled similar sessions for I & III yr students.

Mathew: suggested separate cell for dealing with the issues so that we can contact the concerned person when a problem arises.

Dr Biju replied that already we have separate cells that the parents can approach.

Dr Sunil: appreciated the meeting attitude. He also mentioned about the positive approach of the parents. He also added that everybody should follow the rules and regulations and for that parents should be supportive. Anytime parents can contact him.

Dr Benley asked opinion from Shiju.

Shiju explained about the various measures taken from the management side. Quotations has been taken for rack. Regarding incinerator, already 80% advance has been paid. Since its raining we will have to wait for the maintenance of basketball court. He also mentioned about the reading room provided for the students.

Dr Biju asked opinion from Sr Ann

Sr Ann told everything relevant has been discussed in today's meeting. She mentioned that she has already conveyed her concerns to PTA staff members.

Mathew asked if there is anything to be done from his side.

Dr Biju replied that he will discuss at the administrative level and let him know.

With no other matters for discussion the meeting concluded at 8.40 p.m.

Decisions taken

1. All PTA members agreed with the decisions taken during last PTA general body meeting.
2. If feasible provide for interactive session between parents and students union members.

Dr. Aby Mathew T. MDS
Principal
Pushpagiri College of Dental Sciences
