## COLLEGE OF DENTAL SCIENCES

### 7.1.6: GREEN CAMPUS INITIATIVES OF THE INSTITUTION

#### 1. Pedestrian-Friendly Pathways:

Our institution prioritizes pedestrian safety by providing designated footpaths alongside the main driveway. These pathways are designed with tree-lined greenery, offering shade and enhancing the walking experience for all users.

## 2. Ban on the Use of Plastics:

In our commitment to sustainability, the college has implemented a ban on plastic carry bags on campus. Both staff and students are encouraged to minimize the use of disposable plastic items. We actively promote this initiative through regular "Clean and Green Campus" campaigns aimed at fostering a clean and litter-free environment.

### 3. Landscaping with Trees and Plants:

The campus is enriched with a diverse canopy of trees and plants, creating a shaded and tranquil atmosphere. On World Environment Day, we promote sapling planting initiatives, encouraging community participation. Our gardens are diligently maintained by our skilled gardening staff to ensure their beauty and health.

### 5. Visitor Instructions:

For the convenience of our visitors, multiple informational boards are strategically placed throughout the dental college, enhancing their experience and understanding of our institution.

## 6. Battery-Powered Vehicles:

To further advance our sustainability efforts, the medical college campus provides battery-powered vehicles on campus, promoting eco-friendly transportation options for our community.
