AI GENERATED FACULTY AVATAR: MS. VIDHYA

Developed by: DEU

Date: September 5, 2023

The Dental Education Unit developed an AI generated faculty avatar - Ms Vidhya on the occasion of Teacher's Day.

The mp4 file of the AI avatar is given below:

AI faculty.mp4

The potential outcomes expected by the creation of the faculty avatar:

1. **Innovative teaching methods:** Inspire faculty to explore more innovative and technology-driven teaching methods, integrating AI into their teaching and making learning more engaging.
2. **Professional Development:** Encourage faculty to enhance their technological skills, which will lead to professional development opportunities as they learn to work effectively with AI tools.
