SCHOOL DENTAL HEALTH PROGRAM 2023 -Report

The Department of Pediatric and Preventive Dentistry organised a Dental health Awareness program on August 16th 2023 for school children including parents and teachers. It was successfully held at St.Josephs L.P School Laikkad Changanassery from 2 to 4pm.

Program started with a prayer by the school children and brief talk by the principal Binhu and Dr.Elizabeth Joseph(Prof & Head). The session included Oral health awareness talks,model demonstration of oral health procedures including tooth brushing and interactive session on oral hygiene methods,healthy diet by Dr.Jinimol K Joy for 30mts and awareness regarding dental injury and Malocclusion in children by Dr.Namitha Jayan for 40 mts . Refreshment break in between session was given for the children and later on an interactive session between parents and speakers took place which was highly appreciated.

A small token of appreciation was given to the children who participated in the programme.The Program concluded with a vote of thanks by Dr.Ananthukrishnan. E,and Tea with the faculty of the school.

PUSHPAGIRI

COLLEGE OF DENTAL SCIENCES

CHILDRENS DAY CELEBRATION 2023

The Department of Pediatric and Preventive Dentistry of Pushpagiri College of Dental Sciences celebrated children's Day at Asha Bhavan Special School, Ithithanam Changanaserry on 14th November 2023.

Prior Permission to conduct the programme at the school was procured by Dr. Elizabeth Joseph and Dr. Renu from the authorities Sr. Prasanthy (Principal) at Asha Bhavan. They also visited the facility to check if the smooth conduction of programme can be done.

A delegation of 19 persons including faculty, PG's, interns & non-teaching staff from PCDS reached Asha Bhavan on 14th November in the afternoon. The entire auditorium was decorated by our students using colour paper and Christmas decorations to make it colourful and playful.

Children were welcomed with medals by Post Graduates and Interns. An intern disguised in bunny costume (Dr. Bunny) was present throughout to cheer the children. Officially the programme commenced at 1.30pm with prayer song by Interns. Dr. Elizabeth Joseph delivered a welcome speech which was followed by cultural events like colourful dance and skit regarding oral health awareness performed by Interns.

Children of Asha Bhavan performed remarkable cultural program which included singing and dancing, this was followed by a Quiz Competition for children and prizes were distributed to the winners immediately. A token of appreciation was given to the caretakers. Programme came to an end by delivering vote of thanks by Dr Subbalakshmi which was followed by oral screening of children. Total of 65 children were screened carefully using WHO proformas in a systemic manner.

Dental Health education to the children's parent and the inmates was given in the form of a highly interactive program which was effective in by conveying the importance of dental check-up & brushing technique.

After the screening program, cakes and ice-creams were distributed to everyone. The celebration ended by the refreshments provided by the inmates of Asha Bhavan. The programme was highly appreciated by them.

The list of delegates who participated & the photographs are attached with this report.
